Paralegal (Level 3) Apprenticeship standard

'Paralegal' is a general title, which can be applied to a large number of job roles operating in a wide range of areas of legal practice. The paralegal standard has identified a common core of competencies which can be applied to all paralegals. However, the knowledge requirements (law and practice) for paralegals are different, dependent on the area of legal practice in which the paralegal works. The Paralegal standard embodies the following principles:

- This apprenticeship leads to the apprentice being recognised as a paralegal in the area of practice in which they have completed their apprenticeship
- The apprenticeship has been designed to enable the apprentice to seek some exemption from the requirements to qualify as a Chartered Legal Executive or solicitor
- All the knowledge, skills and competencies requirements are assessed to demonstrate a competent standard to complete the apprenticeship
- End point assessment will be synoptic, take place at the end of the apprenticeship and will be independently assessed by CILEx which has not been involved in the training of the apprentice

Entry requirements:

- GCSE Maths & English - grade C or above (or equivalent).

Duration:

Typically this apprenticeship will take 24 months to complete through our flexible study programme.
